REQUEST FOR BIDS OF INTEREST

to compile a bankable business plan for a Meat Processing Plant within the Dr Kenneth Kaunda District Municipality.

The Meat Processing Plant Steering Committee is inviting bona fide commercial bids for the completion of a bankable business plan to establish and operate a slaughter and meat processing plant that will serve both the local and international meat market. The plant will be established within the Dr Kenneth Kaunda District Municipality, North West Province in South Africa, compliant to local and international shareholder requirements.

Components of the scope of work shall include but not be limited to:

- Resource availability - livestock and delivery agreements.
- Comprehensive supply chain analysis and cover requirement.
- Livestock sensitivity analysis.
- Municipal bulk services - power, water, sewer and access (design and availability).
- Market - local and export of processed meat products, take off agreements.
- Legal and regulatory requirements - South Africa and international markets.
- Risks and opportunities.
- Industrial site (land use) - location, environmental impacts.
- Review the existing plant design.
- Financial.
- Significant milestones programme.
- Output/marketing of project to potential investors.

Conditions

Bids must confirm company/consortium profile (consortium/sub-contract permitted) and outline in detail how the bankable business plan is to be compiled, resources required, milestones and cost confirmed. Interested parties are required to sign a compulsory confidentiality undertaking.

Briefing

Interest to attend briefing must be confirmed by Friday, 4 June 2010 at 12:00 Central African Time.

The detailed briefing is scheduled for 15 June 2010 at a suitable venue in SA to be confirmed with interested parties after which formal bid documentation shall be made available to confirm interest.

The closing date for submission of bids is 3 August 2010 at 12:00 Central African Time.

Bids must be submitted to – Fax to email: 086 657 6792

Bid No.: KKDMEA 051001
Description: Meat Processing Plant SA
Attention: Griselde McPherson

For more information and confirmation of attendance of the briefing session, please contact Griselde McPherson on (+27)18 478-6621 during office hours.

This bid is supported by:
AngloGold Ashanti (Pty) Ltd, Development Bank of Southern Africa, Invest North West and the City Council of Matlosana.

Meat Processing Plant Dr. Kenneth Kaunda District North West Province

automechanika SOUTH AFRICA

The World's Leading Trade Fair for the Automotive Industry
 Johannesburg 9. - 12. 3. 2010

The world's leading automotive business-to-business trade fair returns to South Africa from Wednesday 9 to Saturday 12 March 2011 at the MTN Expo Centre, Nasrec, Johannesburg.

Automechanika South Africa 2011 offers an opportunity to place your products, brand and sales staff in front of Southern African decision makers as well as many influential international visitors. Reserve your space now to put your business into overdrive at this internationally renowned business-to-business exhibition.

Automechanika provides a focused tool to develop two-way trade with many mutual benefits for a wide range of international and local participants and is the gateway to sub-Saharan Africa for the automotive industry.

The inaugural Automechanika South Africa held in 2009 was a resounding success and saw over twenty countries participating providing unprecedented networking and learning opportunities.

The Automechanika brand touches all sectors of the automotive industry and is open to the following product categories.

- Parts & Systems
- Accessories & Tuning
- Repair & Maintenance
- Tyres & Wheels
- IT & Management
- Service Station & Car Wash
- Utility Vehicles & Trailers

Automechanika South Africa provides the ideal product showcase to display new products or services. Research has shown that more than 50% of all trade fair attendees indicate that seeing new products is one of their top priorities when visiting a trade fair. Fringe events include conferences, workshops and association meetings.

Meet and exceed your business objectives by participating at Automechanika South Africa
